STANDARD: Intake and Assessment Programs that utilize electronic monitoring shall develop written policy, procedure and practice to govern its use.

The following steps shall be required for an Intake and Assessment Program to adopt a local policy for utilizing any type of electronic monitoring:

- Legal review by county or district legal authority
- Inform the Juvenile Corrections Advisory Board (JCAB)
- Approved by all Boards of County Commissioners in the counties where electronic monitoring may be utilized

DISCUSSION: If this service is provided to youth through the Intake and Assessment Program, the parent and youth shall be educated on this service and their responsibilities.

NOTE: The standards and procedures set forth herein are intended to establish operational guidelines for the intake and assessment program operating through the board of county commissioners and their employees/contractors and youth participating in the intake and assessment process. They are not intended to establish state created liberty interests for the intake and assessment program or the board of county commissioners, or their employees/contractors, or youth, or an independent duty owed by the Kansas Department of Corrections- Division of Juvenile Services to intake and assessment programs operating through the board of county commissioners or their employees/contractors, supervised juveniles or third parties. This standard and procedure is not intended to establish or create new constitutional rights or to enlarge or expand upon existing constitutional rights or duties.
