General Canteen Policies

- NO CANTEEN order will be distributed until positive identification has been made as to the inmate about to receive the order; this policy ensures that everyone receives the correct order. The inmate ID Badge must be shown in order to receive a canteen order.
- Once an order is received and signed for with no discrepancies identified, the transaction is considered closed and no later issues may be raised concerning the receiving of the order.
- Discrepancies within your canteen order must be identified at the time of delivery and brought to the attention of the Staff Member distributing the canteen; issues must be duly noted on the receipt prior to signing for and accepting of the canteen order.
- Receipts must be retained in order to follow up with a noted and recorded Canteen Order discrepancy.
- Clothing and shoes sizing must be checked prior to accepting and signing for property. Once property is signed for and marked for identification the property cannot be returned or exchanged.
- There is an individual stamp limit of 25 Stamps in any combination; envelopes which are "pre-stamped" are included in this combination. The stamp limit for Disciplinary Segregation is 10 Stamps in any combination.
- Questions or other issues concerning or arising from your Canteen transaction are to be directed to KCI/USG through your Unit Team.
- Copy and Photo tickets are non-refundable.
- No OTC medications are permitted in the infirmary.
- All prices, package weights or brands are subject to change without notice.
- We reserve the right to limit quantities.
