

Juvenile Justice Oversight Committee

Testimony for Legislative Interim Committees

Conference Call

October 5, 2018 at 1:00 pm

Things to consider:

- High level update
 - Why did we take this on in the first place
 - What were we hoping to achieve
 - We are all in this together

- How are we doing with it so far
 - Implementation science
 - Performance Measures
 - Juvenile offender population
 - Intake numbers
 - Public Safety
 - Successes

- SB 109 – appropriations

- SB 179 – Crisis intervention centers

- Statewide concerns
 - Ongoing conflation between juvenile justice reform and mental health crises
 - Program availability
 - Communication between and across agencies

- Implementation concerns
 - Real vs. perceived issues
 - What issues do exist
