

Kansas Juvenile Found Out of State

Juvenile Status

Absconder, Escapee, Juvenile Charged as Delinquent or Foster Care Runaway

A Warrant or Pick-up Order shall be filed and a Missing Person / Runaway report shall be entered into NCIC, when a Kansas juvenile with a court case (juvenile offender or foster care) has absconded or ran out of state. If there's a tip where the Absconder is residing, having these in place enables law enforcement to arrest and detain the juvenile for return to Kansas.

When notified a Kansas Absconder has been found out of state,
Complete the Online Runaway Information Sheet
Fax (785-296-8144) or E-mail (KansasICJ@doc.ks.gov) to Kansas ICJ.
Include Warrants, Intake Reports, Police Reports and NCIC Data if available.

The Kansas County has 2 working days to inform KS-ICJ if they seek the juvenile's return. (Rule 7-104)

If no STOP, KS-ICJ informs holding state the juvenile can be released and to whom.

If yes, KS-ICJ works with holding state to receive a signed ICJ Form III and forward to the Kansas Local Agency.

If the Kansas juvenile refuses to sign ICJ Form III for voluntary return, KS-ICJ consults with our Kansas Local Agency about a Requisition : A formal request for the holding state to "order" the juvenile's return. If the Kansas Local Agency will not compile a Requisition, KS-ICJ informs the holding state's ICJ Office the juvenile can be released and to whom.

To return the juvenile, the Kansas Local Agency shares details of final travel plans with KS-ICJ.

KS-ICJ coordinates with holding state to accomplish a successful return.

Kansas Local Agency notifies KS-ICJ of the juvenile's successful return by E-mail. KS-ICJ informs holding state ICJ Office by E-mail. KS-ICJ closes the juvenile's Absconder / Runaway file.
