	DATE REVIEWED:	1-4-2017

STANDARD: Written policy, procedure and practice shall require any districts utilizing the Juvenile Sex Offender Evaluations and Treatment with Clinical Associates to follow the referral process as outlined at <http://www.doc.ks.gov/juvenile-services/library/sex-offender-treatment/referral-process-for-juvenile-evaluations/view>.

The youth's supervision plan shall be updated reflecting any additional objectives as identified as a need by the Sex Offender Evaluation. Any objectives added to the plan shall be incorporated into the "other" domain.

If the Sex Offender Evaluation indicates a risk level different than the youth's Youthful Level of Service/Case Management Inventory (YLS/CMI) then the YLS/CMI shall be overridden no more than one (1) level corresponding closest to the risk level identified on the Sex Offender Evaluation.

Referrals to treatment and/or services that are identified as a need in the Sex Offender Evaluation shall occur within five (5) business days upon receipt.

DISCUSSION: None.

NOTE: The standards and procedures set forth herein are intended to establish operational guidelines for community supervision agencies operating through the board of county commissioners and their employees/contractors and the juvenile offenders under supervision. They are not intended to establish state created liberty interests for community supervision agencies, or the board of county commissioners, or their employees/contractors, or juvenile offenders, or an independent duty owed by the Kansas Department of Corrections- Division of Juvenile Services to community supervision agencies operating through the board of county commissioners or their employees/contractors, supervised juvenile offenders or third parties. This standard and procedure is not intended to establish or create new constitutional rights or to enlarge or expand upon existing constitutional rights or duties.
