STANDARD: Written policy, procedure and practice shall require Immediate Intervention Programs (IIP's) to provide resources for the assignment and completion of community service work.

Payment in lieu of community service work completion shall be prohibited.

If additional community service work hours are assigned as an internal sanction by an IIP, written policy, procedure and practice shall define the authority for adding such hours and the specific behaviors that may lead to this sanction. The authority to apply this sanction must be approved by the Court, be authorized as a condition of supervision or be stated in a list of alternative sanctions provided to the youth at the youth's onset of IIP.

DISCUSSION: Community service work hours shall be waived if the youth is unable to fulfill the requirements due to a documented physical, emotional, medical or other limitation(s) beyond their control. Documentation supporting the limitation(s) should be contained in the youth's case file.
