If a KHP exception is granted, the agency must then request an exception from the Deputy Secretary. To request an exception from KDOC, the following documentation must be submitted to a designated Juvenile Services staff member: a letter from the local director stating the reason for the request, the results of the criminal record check and a copy of the exception granted by the KCJIS Unit of KHP.

NOTE: The standards and procedures set forth herein are intended to establish operational guidelines for community supervision agencies operating through the board of county commissioners and their employees/contractors and the juvenile offenders under supervision. They are not intended to establish state created liberty interests for community supervision agencies, or the board of county commissioners, or their employees/contractors, or juvenile offenders, or an independent duty owed by the Kansas Department of Corrections- Division of Juvenile Services to community supervision agencies operating through the board of county commissioners or their employees/contractors, supervised juvenile offenders or third parties.
