COVID-19 Vaccinations

Kansas Governor Laura Kelly and the Kansas Department of Health and Environment (KDHE) have in place a vaccination priority plan. Phase 2 of that plan includes vaccinations for KDOC staff and residents. KDOC receives a weekly allotment of vaccine from KDHE and KDOC medical contractors administer the vaccinations. KDOC will only track and share vaccination information for residents. This information will be posted on our public website by close of business each Wednesday.

Residents Vaccinated 02/24/2021 Update

- EDCF 88 residents vaccinated (88 cumulative)
- ECF 0 residents vaccinated (0 cumulative)
- HCF 0 residents vaccinated (0 cumulative)
- LCF 55 residents vaccinated (55 cumulative)
- LCMHF 0 residents vaccinated (0 cumulative)
- NCF 20 residents vaccinated (20 cumulative)
- TCF 285 residents vaccinated (285 cumulative)
- WCF 210 residents vaccinated (210 cumulative)
- WWRF (Not applicable: operations currently suspended)
- KJCC 15 residents vaccinated (15 cumulative)

Notes:

- (1) KDOC vaccine allocations currently require two dosages about a month apart. Data reflected here are number of residents, not the number of vaccines administered.
- (2) The vaccines allocated to KDOC are for ages 18 and up. This limits the number of eligible residents at KJCC.

KDOC Strategic Plan Update *Pathway for Success*

In recent weeks I have shared our new vision statement: Transforming Lives for the Safety of All. And we have a new mission statement: Partnering to Promote Safety and Responsibility through Best Practices.

Today I would like to share with you seven statements that form the cornerstone of who we are as a department and what we expect of each other.

KDOC Beliefs

- Our staff is our most influential resource.
- Everyone has worth and will be treated with dignity and respect through our words and actions.
- Everyone deserves compassion, empathy and support.
- Everyone has the potential for future success through effective development and support.
- Transformative change is accomplished through teamwork and collaboration.
- Trust, honesty and transparency are essential to our success.
- Inclusive practices, acceptance and diversity are the foundation of our mission.

These beliefs statements will inspire and guide us in everything we do. We will examine all of programs and practices and use these beliefs as a test to see how we are measuring up. How we define and implement these beliefs is really up to each one of us. The ultimate challenge is to make our mission and vision come alive, to live it and deliver on it every day. The KDOC Beliefs hold us each accountable for how we accomplish our work and how we act and react to every situation.
