Re: Coronavirus Update and Communications Survey

**PLEASE NOTE!** Please take our communications survey! This is part of our Pathway for Success Strategic Implementation Team on Communications. Those with direct internet access can click on the link below. The survey is also available on computers in facility resource rooms, and we are working on adding the survey on GTL tablets.

The first two questions are required fields, each on a separate page, and once you have completed them the other survey questions appear on your screen. It will only take you a few minutes to complete the survey, and your input will be incredibly valuable!
