

MEMORANDUM

DATE: November 4th, 2021
TO: All KDOC Residents
FROM: Joel Hrabe, Deputy Secretary of Facility Management
SUBJECT: Holiday Package Program of 2021

This holiday season the Kansas Department of Corrections will allow an additional \$100 spending through canteen/commissary beginning November 6, 2021 and ending December 31, 2021. Special items will be available for purchase through canteen during this period. It is your responsibility to purchase items with the additional spending limit so the purchase posts to your account during the holiday period.

Below is a summary of the policy regarding this holiday expenditure:

- Special items will be made available in the canteen during the period from November 6 through December 31, 2021.
- Those residents eligible to make canteen purchases will be allowed to spend an additional \$100 on canteen items during the period from November 6 through December 31, 2021 (additional \$50 each period). If a resident's status precludes canteen purchases, then they will not get the additional expenditure authority. Residents can only select items that they are eligible to purchase. If a resident does not have general canteen privileges, they are restricted to only those items they are eligible to purchase.
- The items purchased within the additional \$100 spending authority must be purchased during the resident's scheduled weekly canteen ordering period.
- The expenditure of the additional \$50.00 in each pay period must be used in that pay period and will not carry over to the next pay period.
- Incoming funds, including those intended for purchasing additional canteen items, are subject to the 10% forced savings and any outstanding obligations such as fines, fees, disciplinary, restitution, etc.
- In some facilities, gift bags donated by churches or other charitable organizations may be available for distribution to indigent residents or other residents.

Thank you and best wishes this holiday season.
