## COVID-19 Vaccinations

Kansas Governor Laura Kelly and the Kansas Department of Health and Environment (KDHE) have in place a vaccination priority plan. Phase 2 of that plan includes vaccinations for KDOC staff and residents. KDOC receives a weekly allotment of vaccine from KDHE and KDOC medical contractors administer the vaccinations. KDOC will only track and share vaccination information for residents. This information will be posted on our public website by close of business each Wednesday.

### Residents Vaccinated 02/17/2021 Update

- EDCF 88 residents vaccinated (88 cumulative)
- ECF 0 residents vaccinated (0 cumulative)
- HCF 0 residents vaccinated (0 cumulative)
- LCF 55 residents vaccinated (55 cumulative)
- LCMHF 0 residents vaccinated (0 cumulative)
- NCF 0 residents vaccinated (0 cumulative)
- TCF 285 residents vaccinated (285 cumulative)
- WCF 210 residents vaccinated (210 cumulative)
- WWRF (Not applicable: operations currently suspended)
- KJCC 15 residents vaccinated (15 cumulative)

### Notes:

- (1) KDOC vaccine allocations currently require two dosages about a month apart. Data reflected here are number of residents, not the number of vaccines administered.
- (2) The vaccines allocated to KDOC are for ages 18 and up. This limits the number of eligible residents at KJCC.
