COVID-19 Vaccinations

Kansas Governor Laura Kelly and the Kansas Department of Health and Environment (KDHE) have in place a vaccination priority plan. Phase 2 of that plan includes vaccinations for KDOC staff and residents. KDOC receives a weekly allotment of vaccine from KDHE and KDOC medical contractors administer the vaccinations. KDOC will only track and share vaccination information for residents. This information will be posted on our public website by close of business each Wednesday.

Residents Vaccinated 03/10/21Update

- EDCF 338 residents vaccinated (819 cumulative)
- ECF 104 residents vaccinated (411 cumulative)
- HCF 653 residents vaccinated (653 cumulative)
- LCF 246 residents vaccinated (505 cumulative)
- LCMHF 53 residents vaccinated (387cumulative)
- NCF 215 residents vaccinated (553 cumulative)
- TCF 2 residents vaccinated (467 cumulative)
- WCF 216 residents vaccinated (426 cumulative)
- WWRF (Not applicable: operations currently suspended)
- KJCC 15 residents vaccinated (15 cumulative)

Notes:

- (1) KDOC vaccine allocations currently require two dosages about a month apart. Data reflected here are number of residents, not the number of vaccines administered.
- (2) The vaccines allocated to KDOC are for ages 18 and up. This limits the number of eligible residents at KJCC.
