Visitation Cancelled at all KDOC facilities

TOPEKA, Kan. – The Secretary of Corrections announced today that visitation will be suspended at all Kansas Department of Corrections (KDOC) facilities, effective immediately, as a measure of precaution to reduce exposure of COVID-19 to our residents and staff.

We will reevaluate on an on-going basis and will communicate any changes as soon as possible.

Families are encouraged to utilize e-mail, phone and video visits to stay in touch with their loved ones.

For more information and resources related to COVID-19, including symptoms and tips for prevention, visit the Kansas Department of Health and Environment's website at <http://www.kdheks.gov/coronavirus/>.
