POLICY

Claims for personal injury or property damage or loss may be paid to employees and/or members of the general public in a manner that is consistent with applicable statutes. The purpose of this policy is to establish uniform guidelines for addressing and resolving employee and other non-offender claims of property damage or loss or personal injury caused by the negligence of the Department or any agency, officer, or employee thereof. All claims are to be investigated and processed within reasonable time limits.

Residents who wish to file a claim are to be permitted to do so in accordance with IMPP 01-118D, Resident Claims Procedure for Property Damage/Loss or Personal Injury.

DEFINITIONS

Departmental Personnel: All Department of Corrections personnel, excluding contract personnel.

General Public: All other persons who are not departmental personnel.

Joint Committee on Special Claims Against the State: The joint committee of the Kansas Legislature that hears claims against the State for which there is no other recourse to receive payment.

PROCEDURES

I. Claim Initiation

A. Departmental personnel and members of the general public may file a claim alleging property damage/loss or personal injury (Attachment A, Form #01-117D-001) with the Secretary of Corrections.

1. Persons filing a claim with the Secretary of Corrections are to complete Section I of the Staff/Citizen Property/Personal Injury Claim form (Attachment A, Form #01-117D-001).

   a. The warden/superintendent is to ensure that claim forms (Attachments A and B) are available to staff and the general public interested in filing a claim against the state and/or the Department of Corrections.

   b. The warden/superintendent is to ensure that staff provide assistance to departmental personnel and the general public in submitting a claim by providing information and any necessary claims forms.

   c. All claims are to be made under oath and notarized.
d. Claimants asserting claims for work-related injuries are to be referred to the facility’s or office’s Human Resource Manager for assistance in filing the appropriate Workers’ Compensation forms.

2. Those filing a claim with the Secretary are to submit the completed form and any supporting documentation to the warden/superintendent, parole director, or Central Office division supervisor at the office or facility where the loss, damage, or injury is alleged to have occurred (or where the allegedly negligent employee works, in situations where the loss, damage, or injury is not alleged to have occurred on facility or office grounds).

3. Each claim is to be assigned a unique number, which is to be shown on the form.
   a. Each facility and office is to establish and maintain a claims log showing the unique number assigned to the claim and the date the number was assigned.

4. The warden/superintendent or designee is to enter such claims into the applicable Management Information System.

5. The Secretary of Corrections is not authorized to make payment in excess of $1,000 on any claim.
   a. The Secretary may attempt to resolve claims in excess of $1,000 by offering payment at an amount equal to or less than this maximum amount.
      
      (1) The claimant is to have the right to accept this offer or pursue the claim with the Joint Committee on Special Claims Against the State.
   
   b. Property damage/loss or personal injury claims that cannot be resolved for an award of $1,000 or less may be filed with the Joint Committee on Special Claims Against the State if the claimant elects to do so.

B. In lieu of or subsequent to filing a claim with the Secretary of Corrections, departmental personnel and members of the general public may file a property damage/loss or personal injury claim with the Joint Committee on Special Claims Against the State using the form provided by the committee for that purpose (Attachment B, Form # 01-117D-002; also available at http://www.kslegresearch.org/KLRD-web/Committees/Committees-Claims-Resources.html).

   1. Any person whose claim is denied by the Secretary of Corrections, or who rejects an offer of settlement, may file the claim with the Legislative Joint Committee on Special Claims Against the State.
   
   2. Claims to the Joint Committee on Special Claims Against the State are to be filed with the committee directly.

II. Inquiry and Decision

A. The warden/superintendent, Parole Director, or Central Office division supervisor is to assign the claim for inquiry as soon as possible.

   1. Requests for inquiry by the Enforcement, Apprehensions, and Investigations Division are to be handled as set forth in IMPP 22-103.
   
   2. The following actions may be taken in the inquiry of all claims:
      
      a. When possible, interview and obtain a statement from the person making the claim;
      
      b. Interview officers and employees who may be involved or have information regarding the claim;
c. Interview other witnesses who may have information regarding the claim;

d. Review appropriate records, reports, and logs pertaining to the claim; and

e. Submit copies of all records, reports, logs, and statements with the report on the claim to the warden/superintendent, parole director, or Central Office division supervisor, or designee.

3. This inquiry is to be completed within ten (10) calendar days after receipt of the claim.

a. The inquiry may be extended by the warden/superintendent, parole director, Central Office division supervisor, or designee for an additional twenty (20) calendar days for good cause.

b. The claimant is to be notified in writing of the reason for any extension.

4. Upon receipt of the report, the warden/superintendent, parole director, or Central Office division supervisor is to make a recommendation to the Secretary of Corrections regarding the disposition of the claim.

a. Final action on all claims is to be made by the Secretary.

B. For claims alleging damage, loss, or injury occurring at another facility or office, the warden/superintendent parole director, or Central Office division supervisor or designee of the facility where the claim was filed is to, within two (2) calendar days of receipt of the claim, forward a copy of the claim to the warden/superintendent, parole director, or Central Office division supervisor of the facility where the alleged damage, loss, or injury occurred. Any documentation that would reasonably be assumed to be relevant to the inquiry of the claim is to accompany the claim.

1. The warden/superintendent, parole director, or Central Office division supervisor of the facility or office where the alleged damage, loss, or injury occurred is to then process the claim as the administrator/supervisor would process all other claims received.

III. Notification of Decision

A. Upon reaching a decision, the Secretary is to return the original claim form to the appropriate warden/superintendent, parole director, or Central Office division supervisor for processing as follows:

1. If the claim is denied, the original is to be returned to the claimant, and a copy is to be retained by the warden/superintendent, parole director, or Central Office division supervisor.

2. If a settlement is approved by the Secretary, the original of the claim is to be sent to the claimant with instructions to sign Section V as an indication of acceptance and return it to the facility of origin. The claimant must also supply his or her social security number so that the claim may be processed by the Division of Accounts and Reports.

IV. Approval/Denial and Payment Processing

A. If the settlement is rejected by the claimant, a copy of the claimant’s rejection statement is to be maintained in the facility or office file.

1. The claimant is to be advised of his/her right to pursue the claim through the Legislative Joint Committee on Special Claims Against the State, and the appropriate form (Attachment B) is to be provided upon request.

B. Approved claims accepted by the claimant are to be promptly paid from operating funds budgeted for the correctional facility or office at which the damage, loss or injury occurred.
C. For approved claims for which payment is to be made from facility operating funds, the facility or office business manager is to submit the appropriate voucher in SMART, the statewide accounting system, to the Office of the Chief Financial Officer for payment.

V. Claims Limitations and Responsible Parties

A. Payments are not to be made to employees if they themselves were negligent in the damage/loss of property or personal injury;

B. Payments are not to be made to insurers who make claims as subrogates for amounts paid to insured parties.

C. Claimants will be reimbursed only for actual costs incurred that are not covered by insurance policies.

D. The Department may deny any claim for which documentation of claim value (receipts, repair estimates, etc.) is not provided.

NOTE: The policy and procedures set forth herein are intended to establish directives and guidelines for staff, residents and offenders and those entities that are contractually bound to adhere to them. They are not intended to establish State created liberty interests for employees, residents or offenders, or an independent duty owed by the Department of Corrections to employees, residents, offenders, or third parties. JOINT COMMITTEE ON SPECIAL CLAIMS AGAINST THE STATE
INSTRUCTIONS FOR CLAIMANTS

- Fill out the claim form completely. Incomplete or unreadable forms will not be accepted, and the form will be returned to the claimant (person making claim). Claimants are encouraged to submit claims as early as possible.

- Claim forms must be received on or before November 1 in order to be heard by the Joint Committee on Special Claims Against the State prior to the next legislative session. Forms received after November 1st will be held by staff and not considered by the Committee until the following calendar year, from June to December.

- Any information provided in or accompanying a claim form will be considered part of the claim file. Documents in a claim file are subject to the Kansas Open Records Act and may be released to persons outside the Committee or staff upon proper request. Additionally, any documents received by the Committee or staff will be considered part of the claim file. Original documents submitted by claimants will not be returned.

- The Joint Committee on Special Claims Against the State is intended as a venue to hear claims for which there is no other recourse to receive payment. The Committee is a place of last resort when there is no other way to appropriate money to pay a claim against the state. The Claims Committee does not act as a court or as an administrative hearing. Claims heard by the Committee are not subject to the Rules of Civil Procedure or the Rules of Civil Procedure for Limited Actions and small claims. The claims heard by the Committee also are not subject to the Administrative Procedures Act.

- The Joint Committee on Special Claims Against the State can only recommend payment to one individual or entity. If there is more than one claimant on an individual claim, you will need to designate which individual is to receive payment. If payment is to be made to an entity, including an open estate of a deceased person, you will need to designate the proper payee and contact person for an entity or estate.

- The Joint Committee submits recommendations for the claims it has heard in the form of a bill presented to the Legislature at the start of each session. Payment for claims that are approved by the Legislature and signed into law by the Governor are paid by the Division of Accounts and Reports. Prior to such payment being made, claimants are required to sign a release. Payments are generally made prior to June 1st. When an inmate owes an outstanding unpaid amount of restitution ordered by a court, money received by the inmate from the state as a settlement of a claim against the state is withdrawn from the inmate’s trust account as a set-off per KSA 46-920.
