In accordance with IMPP 01-101, any attached IMPPs summarized below have had their revision/introduction advanced through appropriate procedures set forth within the context of that IMPP. Additionally, policy memoranda are sometimes issued on a very limited basis, and, if included in this distribution, are similarly summarized below. The following are summaries of the revisions to policy and/or procedures resulting from these processes, and have been reviewed in an attempt to ensure consistency with statutes, regulations, and the current needs and philosophy of the Department.

Per IMPP 01-101, new and revised policies shall be distributed, prior to their implementation, to designated staff, contract personnel, volunteers, and when appropriate to inmates/offenders and designated agencies. The yellow highlighted IMPPs listed in this document are considered “**STAFF READ ONLY**” and shall not be included in the distributions to agencies or organizations not authorized such access.

**14-164** **PAROLE SERVICES: Searches, Seizure, Chain of Custody, and Disposal of Contraband.** This policy was revised to only include information related to searches made by Parole Officer including the clarification as to the types of searches allowable by Parole Officers, search procedures for an offender’s computer(s) and electronic devices, the disposal of evidence before three (3) years’ time, and clarified the Parole Officer’s role when a search is conducted by other law enforcement agencies.

**NOTE:** Yellow highlighting indicates that the particular IMPP is “**Staff Read Only.**”
