In accordance with IMPP 01-101D, any attached IMPPs summarized below have had their revision/introduction advanced through appropriate procedures set forth within the context of that IMPP. Additionally, policy memoranda are sometimes issued on a very limited basis, and, if included in this distribution, are similarly summarized below. The following are summaries of the revisions to policy and/or procedures resulting from these processes, and have been reviewed in an attempt to ensure consistency with statutes, regulations, and the current needs and philosophy of the Department.

Per IMPP 01-101D, new and revised policies shall be distributed, prior to their implementation, to designated staff, contract personnel, volunteers, and when appropriate to offenders and designated agencies. The yellow highlighted IMPPs listed in this document are considered “**STAFF READ ONLY**” and shall not be included in the distributions to agencies or organizations not authorized such access.

- 12-134A**      **SECURITY AND CONTROL: Uniform Review of Publications.** This policy was revised to establish new appeal processes, revise timeframes, and update the attached form. KDOC IMPP 12-134 is revoked effective 04-20-16.
- 11-101J**      **DECISION MAKING: Privileges and Incentives Program.** This policy was revised to create expanded avenues for juvenile correctional facilities to support juvenile offenders in their path to behavioral change. Privileges were increased where necessary and curtailed when appropriate based on the current needs of our offender population. Pro-social change is promoted through incentives that better reflect our offenders' program goals. JJA IMPP 11-101 is revoked effective 04-20-16.
- 16-04-006**      **Policy Memorandum – IMPP 11-115A DECISION MAKING: Sex Offender Treatment, Management and Supervision.** This policy is amended to correct a statutory reference and to a representative of the Kansas Prisoner Review Board as a voting member to the Sex Offender Override Panel.

**NOTE:** Yellow highlighting indicates that the particular IMPP is “**Staff Read Only.**”
