In accordance with IMPP 01-101D, any attached IMPPs summarized below have had their revision/introduction advanced through appropriate procedures set forth within the context of that IMPP. Additionally, policy memoranda are sometimes issued on a very limited basis, and, if included in this distribution, are similarly summarized below. The following are summaries of the revisions to policy and/or procedures resulting from these processes and have been reviewed as an attempt to ensure consistency with statutes, regulations, and the current needs and philosophy of the Department.

Per IMPP 01-101D, new and revised policies shall be distributed, prior to their implementation, to designated staff, contract personnel, volunteers, and when appropriate to offenders and designated agencies. The yellow highlighted IMPPs listed in this document are “**STAFF READ ONLY**” and shall not be included in the distributions to agencies or organizations not authorized such access.

- 11-113A** **DECISION MAKING: Level of Service Inventory – Revised Risk and Needs Assessment.** This policy was revised to bring the policy in line with current practices by adding and/or revising some definitions, removed reference to Data Evaluation Coordinator as this position no longer exists, refined wording in some sections to be more concise and remove a link that is no longer operational. DOC IMPP 11-113 is hereby revoked effective 08/23/18.
- 11-115A** **DECISION MAKING: Sex Offender Treatment, Management and Supervision.** This policy was revised to update Attachment A – Sex Offender Override Request. The revisions to this attachment is to reflect information gained working with consultant/trainer, to increase the information provided and accountability of sex offenders with minor victims who are requesting contact with minors.

NOTE: Yellow highlighting specifies that IMPP is “**STAFF READ ONLY**”.
