In accordance with IMPP 01-101D, any attached IMPPs summarized below have had their revision/introduction advanced through appropriate procedures set forth within the context of that IMPP. Additionally, policy memoranda are sometimes issued on a very limited basis, and, if included in this distribution, are similarly summarized below. The following are summaries of the revisions to policy and/or procedures resulting from these processes and have been reviewed as an attempt to ensure consistency with statutes, regulations, and the current needs and philosophy of the Department.

Per IMPP 01-101D, new and revised policies shall be distributed, prior to their implementation, to designated staff, contract personnel, volunteers, and when appropriate to offenders and designated agencies. The yellow highlighted IMPPs listed in this document are “**STAFF READ ONLY**” and shall not be included in the distributions to agencies or organizations who are not authorized such access.

10-143D **PROGRAMS AND SERVICES: Transgender and Intersex Offender Placement.** As there is currently no policy on this subject matter; this new policy allows for a more thorough and detailed process for assessing those offenders who identify as transgender so housing placement can be determined as outlined in the federally mandated PREA standards rather than by birth gender as current process indicates.

14-144A **PAROLE SERVICES: Waiver of Final Revocation Hearing.** This policy was revised to add the contents of the Policy Memorandum into the policy, added language to the eligibility criteria to clarify that new convictions which have been already addressed by KDOC do not make an offender ineligible for the waiver and added clarifying information to the definition for the term “Pending Misdemeanor Charge”.

NOTE: Yellow highlighting specifies that IMPP is “**STAFF READ ONLY**”.
