In accordance with IMPP 01-101D, any attached IMPPs summarized below have had their revision/introduction advanced through appropriate procedures set forth within the context of that IMPP. Additionally, policy memoranda are sometimes issued on a very limited basis, and, if included in this distribution, are similarly summarized below. The following are summaries of the revisions to policy and/or procedures resulting from these processes and have been reviewed as an attempt to ensure consistency with statutes, regulations, and the current needs and philosophy of the Department.

Per IMPP 01-101D, new and revised policies shall be distributed, prior to their implementation, to designated staff, contract personnel, volunteers, and when appropriate to offenders and designated agencies. The **yellow highlighted** IMPPs listed in this document are “**STAFF READ ONLY**” and shall not be included in the distributions to agencies or organizations who are not authorized such access.

01-129D **ADMINISTRATION: Mask Protocol.** This is a new policy that sets out the procedures requiring the wearing of masks during the period of any declared emergency for a public health epidemic or pandemic.

NOTE: Yellow highlighting specifies that IMPP is “**STAFF READ ONLY**”.
