Re: Report Pursuant to K.S.A. 75-52,148 of Crimes Committed by Sex Offenders While in Custody.

Dear Speaker Merrick and President Wagle,

Attached is the list of sex offenders who have committed one of the crimes enumerated in K.S.A. 75-52,148 while in the custody of the Department of Corrections since the department's last annual report. This listing is based upon the date of the commission of the new offense and is generated when the offender has been convicted of the new offense and that disposition is reported to the department. As of December 31, 2012, the department had received court documentation for new sentences for two offenders for crimes committed during 2012. To update the department's 2012 report for calendar year 2011, conviction/sentence data was also received by the department during 2012 for four offenders whose offenses were committed prior to 2012. I have included a listing of all of these offenders, his or her sex offense conviction(s) which resulted in the sentence to the department's custody and the crime(s) committed while in custody.

Sincerely,

Ray Roberts
Secretary of Corrections
